Fast, accurate
and freshly ground
on demand

ESPRESSO GRINDER KE 640

Ditting's "grind on demand" grinder

- Each portion individually and freshly ground on demand.
- No pre-grinding necessary, eliminating coffee wastage and preventing coffee staling.
- Gentle, cool and uniform grinding preserves unique coffee aroma and maximises crema.
- Electronically controlled for exact and consistent grind dosage level.
- Individually adjustable selection for both single and double shot doses.
- Simple and accurate adjustment of grind fineness to maintain consistent shot pour rate.
- Electronic counter to track number of both single and double shot doses delivered.
- Precision long-lasting grinding discs.
- 1.5kg hopper with lid and slide-stop.
- Easy to clean, maintain and service.
- Illuminated operating display.
- Unique design.
